

# 3 steps to embed LGA's Transforming Care films into your website

Local Government Association has worked with Enabled City and experts by experience to create films showing how Transforming Care can improve peoples lives through empowerment, you can embed the films into your website at no cost.

1. Go to LGA's YouTube channel:  
[www.youtube.com/user/LocalGovAssoc](http://www.youtube.com/user/LocalGovAssoc)

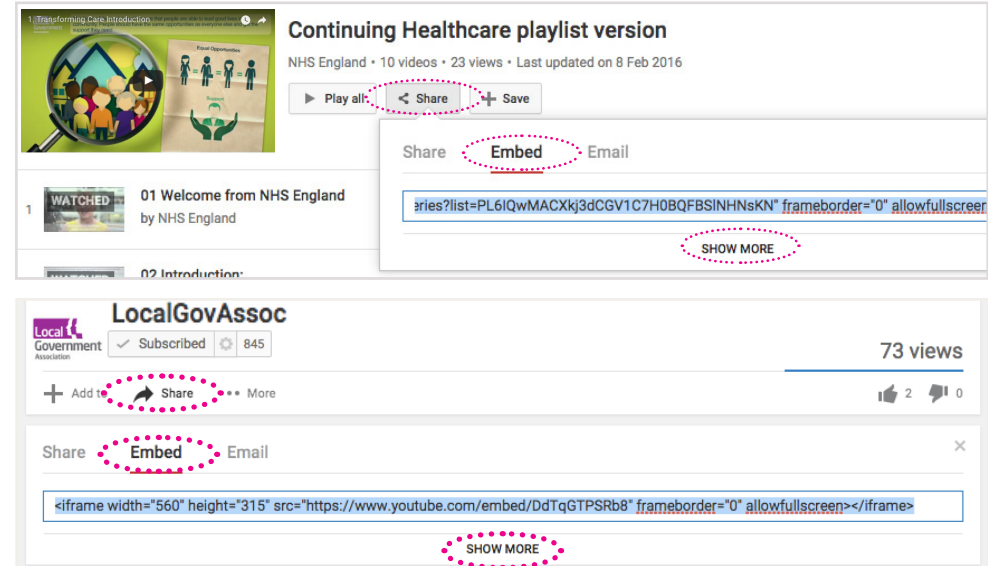

2. Search for 'Transforming Care', you should find 8 films  
Introduction: an animation about what Transforming Care is about

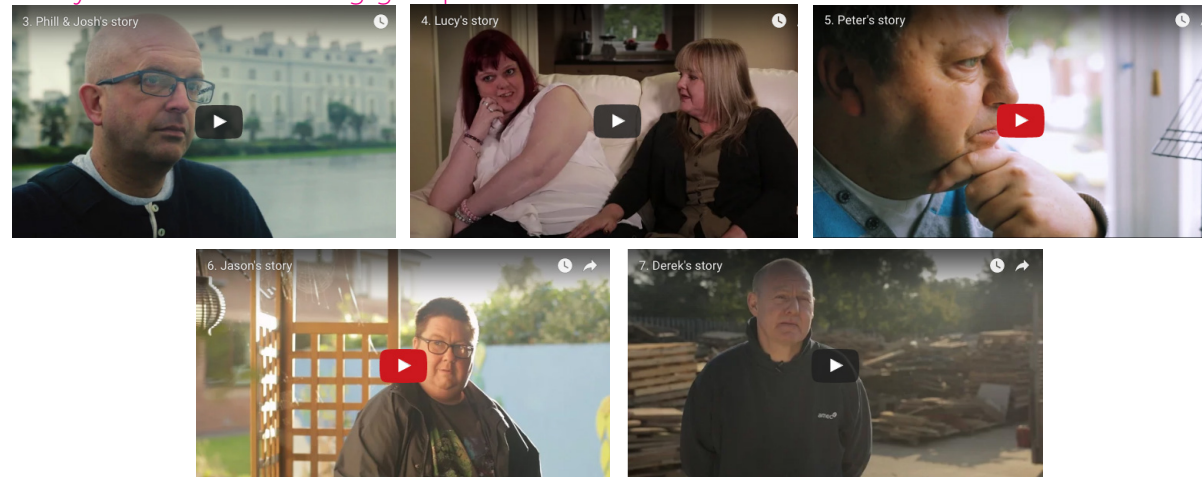

What empowerment means to me:  
by the empowerment steering group

3. Click 'share' and 'show more' for custom film sizes

Story's from the steering group
